- For details please visit our league website: <http://www.sdyaa.org>

**League Updates**

We want to thank our local sponsors, community and parents in helping make our fifth season a success. This support led to SDYAA Baseball having 500 children involved in the program.

2015 was the year of the complex (see picture on next page from opening day). In 2014, four brand new backstops were added as well as diamond dirt for the infields to create a six field complex. It was great to see the whole community playing baseball and softball games all in one area. The intermediate school is not only a good central location for the school district, it has also excellent access to the highways for all area teams being played (Franklin County, Lawrenceburg, Milan, Manchester, Dillsboro).

We realize that we have a great start, but this complex will be a work in progress for years to come. Future items to be done are foul fences, bleachers, players benches, outfield fences, etc. If you have any questions on how to get involved, or feel you can offer time and services please get in contact with any member listed below. It will take the entire community to keep this program successful.

At your convenience, please take time to check out the league website for more signup information, registration form, director information and how to get involved by going to our website located at [www.SDYAA.org](http://www.SDYAA.org).

Thanks to all and see you at signups - sincerely from the directors of SDYAA Baseball - Brian Koelling, Mike Martini, Mike Norman, Tom Steuver, Scot Davis, Tony Henson, Randy Eckstein, Deana Wilson, Jim Seiwert, Don Sizemore, and Chad Kelly.
